WHOLESALE LIST OF SURPLUS IRIS

Your Guide to Quality Iris at Rock Bottom Prices

AVAILABILITY OF STOCK: This year my wholesale list is going simultaneously to well over 1,500 nurseries. So you can see that to stand a reasonable chance of getting the stock you want you will, at the very least, have to order at once and by Air Mail.

QUALITY OF STOCK: All will be first class single rhizomes, freshly dug for your orders and promptly shipped. All stock guaranteed true to name and satisfactory in every respect. Our mountain-grown stock thrives in every state.

TERMS: Prices are F.O.B. Placerville, cash with order. Shipments sent express collect, or C.O.D. for the postage, unless you enclose postage at the rate of 5c per rhizome for Tall Bearded and Stylosas, 2c per rhizome for Dwarfs, Lilliputs and Arils, and 4c per rhizome for all others. Minimum wholesale order at these low prices is \$10.00. If less, please add 50c to help pay packing costs.

SUBSTITUTES: If substitutes or larger numbers of some kinds are acceptable, it will be decidedly to your advantage to let us know, or give us a list of other varieties you need, to use as alternates if needed. Otherwise, if we are sold out on some kinds, the ones you want instead are likely to be gone too by the time we write you, and wait for your reply.

TIME LIMIT: These prices apply to orders postmarked Oct. 10, 1957 or earlier. Later shipments made only if especially arranged for.

MAKING UP YOUR ORDER: Please give, for each variety ordered, the quantity, the applicable each price, and the total.

CATALOG: Refer to my 1957 or earlier catalog for descriptions and order blanks. Our supply of 1957 catalogs is exhausted. All who order now will receive 1958 edition. Others may have one for 25c.
